

## MABAS Wisconsin - Illinois Cylinder Replacement Form

If you previously purchased a Knox Box from MABAS-IL for your fire house/station/hall, a program has been established that will allow you to exchange the MABAS-IL lock for a MABAS-WI lock.

- Step 1, you must purchase the MABAS-WI Cylinder lock at \$22.00 each.;
- Step 2, you must order the number of MABAS-WI Master Keys needed;
- Step 3, after receiving the MABAS-WI cylinder lock, open your Knox Box, and remove the MABAS-IL cylinder from your building and replace with the new MABAS-WI cylinder lock;
- Step 4, return the MABAS-IL cylinder lock to the MABAS-WI Knox Box Coordinator;
- Step 5, upon receiving the returned MABAS-IL Cylinder lock, the MABAS-WI Knox Box coordinator will send a check in the amount of \$15.00 for each cylinder returned.
